

SENIOR ACCOUNTANT

- Professional and Caring Environment;
- Excellent Career Progression and Opportunities;
- Excellent Remuneration and Benefits.

Summit Financial advisors is a dynamic service provider offering our clients a complete range of business, financial planning and taxation services in a professional and caring environment.

We are currently looking for a dedicated and highly motivated Professional to join our friendly team.

In this role you will be responsible for:

- Your own client base;
- Number of junior accounting staff;
- Meet all your clients business and taxation needs;
- Manage and control budgets;
- WIP management and billings.

To be successful in this role you will need to have the following:

- Completed or currently undertaking the CA/CPA program;
- 3-5 years experience within a professional firm
- Have excellent analytical skills;
- Excellent communication skills;
- Be able to work effectively within a team environment.

Our firm offers fantastic working conditions and facilities, including salary packaging, bonus participation and career development support.

The package negotiated with the successful candidate will reflect the importance of this opportunity.
